A wooden card rack, likely made of birch, is the central focus. It has four distinct sections labeled 'NORD', 'KORTGIVER', 'TALON', and 'SYD' from left to right. The number '20' is also visible on the 'KORTGIVER' section. The rack is holding a fan of cards. Surrounding the rack are several other fans of cards, including a large fan on the left, a smaller fan on the right, and a row of cards at the bottom. The entire setup is on a light-colored wooden surface.
